

- 1 Navigate to pepsicopartners.com
(Using Google Chrome browser)
- 2 Click on the vertical three dots on top right side and click on **"Translate..."**

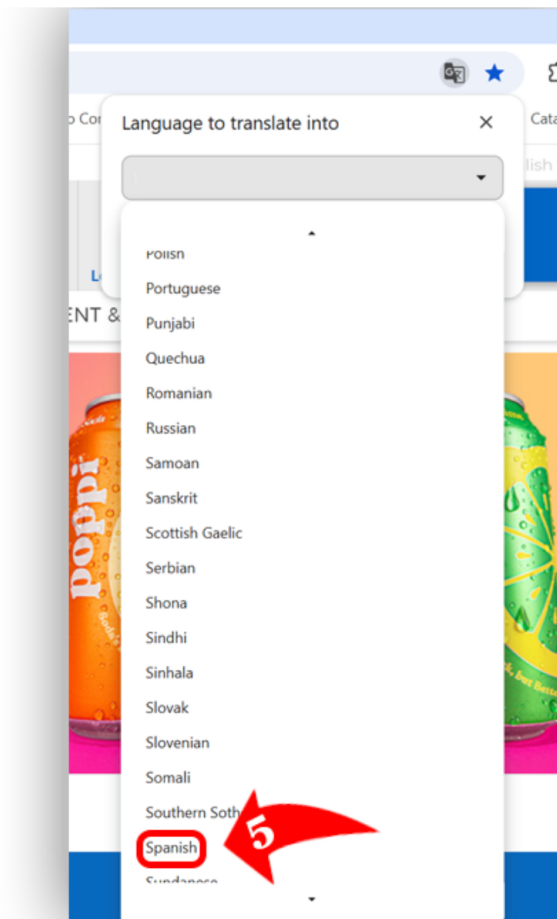

- 3 Click on the vertical three dots
- 4 Select **"Choose another language"**

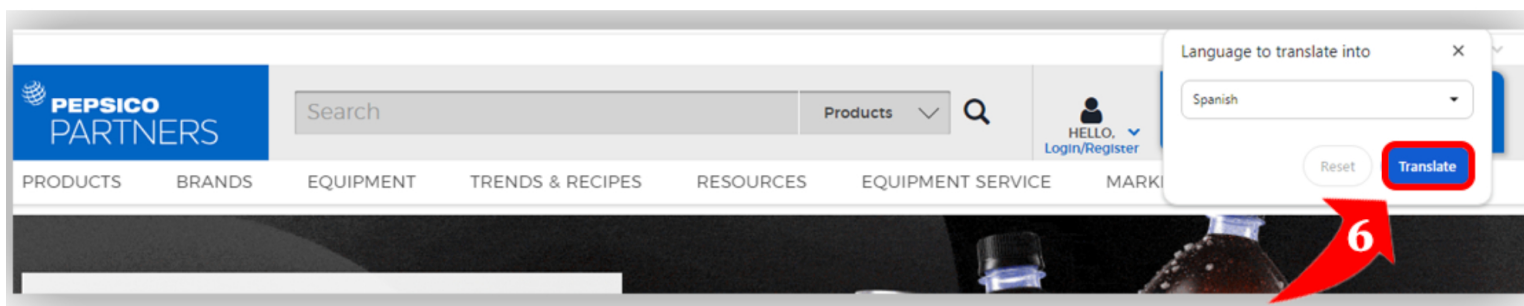

- 5 From the dropdown select the language you would like the page to be translated to

Example: Spanish

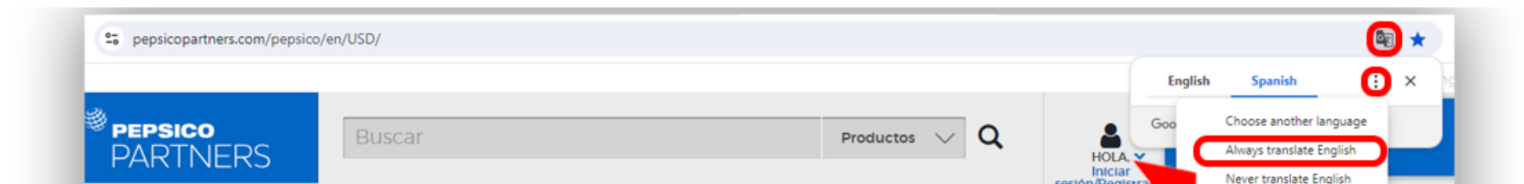

6 After selecting the language desired, click **“Translate”**

7 To permanently translate to Spanish click on the **translate icon**, then the vertical three dots and select **“Always translate English”**

(This will automatically translate all webpages from English to Spanish)
